*This is Tome*

TOME IS A mix between a blog, zettelkasten, and wiki. Think of it as the most flexible content management system because it is based on Pollen<sup>1</sup>.

Here is a new paragraph.

This is Tome<sup>2</sup>

<sup>1</sup> "Pollen is a publishing system that helps authors make functional and beautiful digital books." — Pollen Documentation. Thank you for a great system, Matthew Butterick (author of Pollen).

<sup>2</sup> This is another note.
